Junior Project Manager (f/m/x)

Starting in **January** we are looking for a **full-time Junior Market Analyst** for our location in **Gumpoldskirchen, Austria**

The **Business Development & Strategy** department supports the strategic and operational development of the company, especially in the areas of market research, financial analyses and the development of business models. Working with us means being part of experienced and seasoned team in a high-paced environment.

Join us to continue our success story and become part of the team! **Apply now!**

YOUR **TASKS**

- You will prepare materials supporting the decision-making process of our management board and senior executives
- You will conduct fundamental market and industry research and quantitative analyses, as well as reviewing, monitoring and organizing regulatory and market intelligence
- You will assist with the development of financial models, company valuations and perform financial analysis for potential green- and brownfield investments
- You will play an integral role within the core team and support with day-to-day project execution
- You will manage interdepartmental communication with in-house expert teams such as tax, legal and M&A in order to insure smooth and timely implementation of projects

YOUR **PROFILE**

- Bachelor's or Master's degree in business administration, law or similar field
- Relevant working experience in business development, consulting, finance or accounting would be beneficial
- Reliable, well organized and structured way of working with high attention to detail
- High level of commitment and self-motivation, strong communication and teamwork skills, and a willingness to travel
- Strong written and verbal communication and presentation skills in English and in German are essential

OUR **OFFER**

- Flexible working hours (flextime)
- Family team spirit and regular team events
- Needs-based training and professional development
- Excellent subsidized staff canteen (which offers vegetarian and vegan options)
- Various perks and company discounts
- Good public transport connections and a parking lot for employees
- A salary for this position starting from € 49,000 gross per year. However, the actual salary per year is negotiable depending on your qualifications and experience

You can find more information here
