## Product Manager (w/m/x)

For **immediate placement** we are looking for a **full-time Product Manager** for our location in **Gumpoldskirchen, Austria**

**Product Management** is the point of contact for Sales, Research & Development and Operations with regard to **product specification, development and marketing**. It is responsible for the conceptual design, planning and monitoring of projects with regard to the product portfolio and for market analyses.

Join us to continue our success story and become part of the team! **Apply now!**

### YOUR TASKS

- You plan and control the cross-departmental product management process
- You coordinate the various market roadmaps and maintain the product matrix tool accordingly
- You will autonomously create analyses of products and present these as a basis for decision-making to the product management committees
- You are the communication interface between Pre-Sales, Research & Development, Product Marketing, Operations and the Product Management team
- You will take on project management tasks and ensure constructive and target-orientated communication

### YOUR PROFILE

- Completed technical education (high school diploma, university of applied sciences, university) and project management training
- Several years of professional and industry experience
- Excellent written and spoken German and English, as well as strong communication skills in formal and informal settings
- Team player with the drive to innovate, a reliable personality and an independent, precise and solution-orientated way of working

### OUR OFFER

- Flexible working hours (flextime) and partial remote work
- Family team spirit and regular team events
- Needs-based training and professional development
- Excellent subsidized staff canteen (which offers vegetarian and vegan options)
- Various perks and company discounts
- Good public transport connections and a parking lot for employees
- A salary for this position starting from € 55,000 gross per year. However, the actual salary per year is negotiable depending on your qualifications and experience
